Pacificana® showcases classic California styles for the next generation of wine enthusiasts. It embodies the bold, pioneering spirit of the California landscape and those who call it home. 100% barrel fermented, then aged in American oak barrels, this Chardonnay isn't the oak-bomb style of ten years ago. Instead, it strikes the perfect balance between richness and elegance. Our modern version of Cali Chard is bold and engaging, offering an unmistakable varietal signature that's perfect for pairing with your favorite home-cooked meals.

A happy planet produces great wine.
