

## 2022 Wonders™

### Red Wine Blend

France

---

We believe that making healthier choices shouldn't mean giving up taste, which is why we made Wonders. The proof is in the bottle, as this blend of Grenache and Syrah comes from a perfectly situated, organically farmed vineyard in France. It's made in a minimal-intervention style and you can taste the quality from the first sip to the last. In addition to a healthy serving of old-world je ne sais quoi, you can expect notes of antioxidant-rich fruit, like pomegranate and dark cherry, as well as baking spices and smooth tannins. With Wonders, you can really have it all – it's the perfect companion for all life's adventures.
