

# 2019 Folly of the Beast® Chardonnay

Central Coast, CA

Body: Medium Alcohol: 13.9%

Well-balanced and elegant, this wine has all the beloved elements of a California Chardonnay. To create this delicacy, we went to the Central Coast where foggy mornings have a favorable effect on the grape and large diurnal shifts help promote fruit notes and high-acidity. The combination of this creates its unique, high-quality stature. Aged in 30% French Oak to enhance delicious notes of apple, apricot, and butterscotch and scents of white flower and yellow apple. Folly of the Beast Chardonnay is the product of meticulous winemaking and a continuation of our mission to achieve the impossible.

## **Appellation**

Central Coast, CA
